

NHS OpenAthens Self-registration

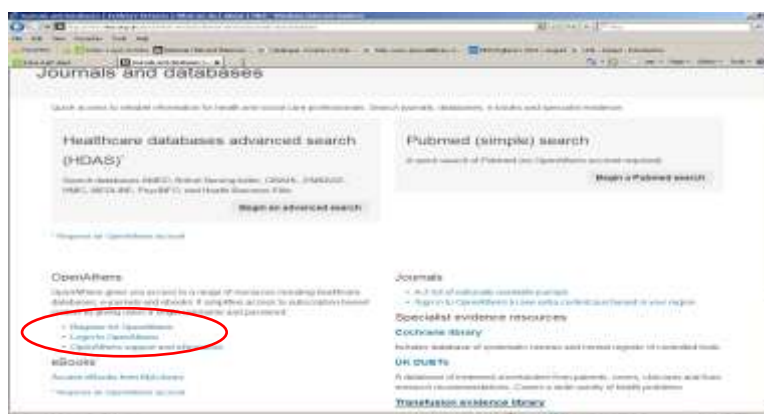

ATHENS is the password system that lets you access all the online resources subscribed to locally by CWPT and nationally via NICE from any Internet computer. Please note that not every resource that offers Athens login is available to you.

It's best to register for Athens on a work-based NHS PC, but once you've set up your account you can use it anywhere.

1. Go to www.evidence.nhs.uk and select the link to 'Journals and Databases' from the menu bar:

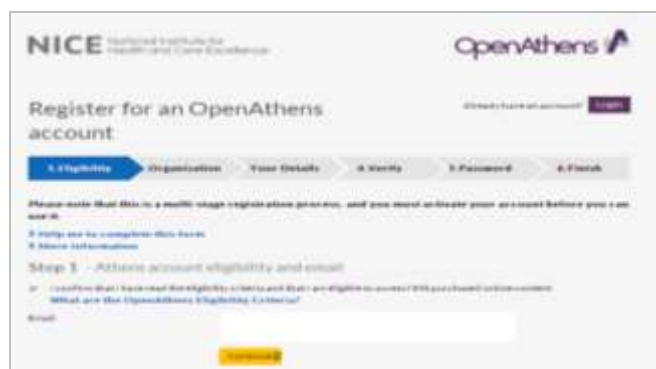

2. Click on 'Register for OpenAthens':

3. Complete the online form:

Step 1 Tick the box to confirm that you have read the eligibility criteria and are eligible to access NHS purchased online content. Enter your email address:

Step 2 Find your organisation – eg. type **Coventry and Warwickshire Partnership Trust** in the search box and select your organisation from the list.

Step 3 Complete the form with your details.

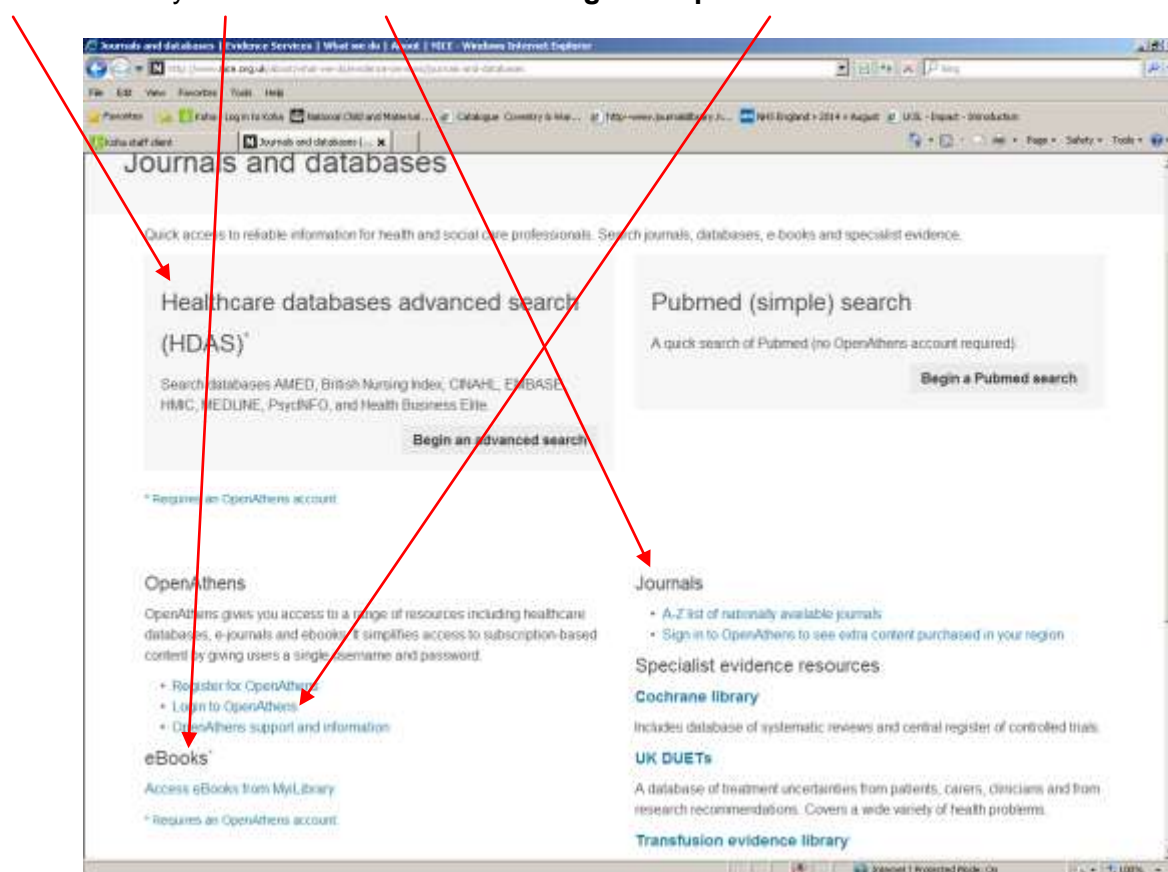

Step 4 Verify – tick the Data Protection box to say you have read and accept the terms and conditions and privacy notice.

4. You will then receive an 'activation email, click on the link in that email and enter a password to activate your account. **You should activate the account as soon as possible.**
5. Once you have your *OpenAthens* password you can access the resources:
 - a. Go to **NICE Evidence** at www.evidence.nhs.uk and click on the '**Journals and Databases**' link:

The following page will then allow you to select which area you would like to search e.g. **Healthcare Databases**, **eBooks** or **Journals** etc.

For a list of **all** your Athens resources click '**Login to OpenAthens**'.

If you experience any problems with this process please contact library staff at any of our libraries listed below:
