

# NHS Knowledge and Library Hub

Go to <https://library.nhs.uk/knowledgehub/abouthub/> and click on "Search the NHS Knowledge Hub"

Search for a specific journal title with the Journals A-Z

Login with your NHS OpenAthens account to access full-text articles and locally-licensed resources

Start a new search

Enter your search term(s) in the search box and click search **TIP:** You can enter keywords or specific book, journal or article titles

Links to other useful resources. **TIP:** use the listed databases for a more in-depth literature search

Choose 'Advanced Search' in order to access more search options

Register for an NHS OpenAthens account or reset your account password

**TIP:** on the search results page use the filters on the left-hand side to reduce the number of results

# Results Page

Start a new search

Modify your search

Current search term(s) and applied search filters

Available limits:

Full text = only results available to access online will display

Peer reviewed = only peer reviewed research will display

Date range = use the sliding scale to narrow to a range

Source types = specify the type of resource you want e.g. books or journals (select 'show more' to view all options)

View your search history

Results are automatically sorted by relevance - click to sort by date instead

Links to other useful resources

Links to other databases for more in-depth and advanced searches

Online books and articles will display either an 'Access Online' / 'Full Text' or 'Request' button

Results with an access online or full text button may be viewed in full - simply click the button and login with your NHS OpenAthens login details if requested

Results with a request button are not available to access online but can be requested from the library - simply click the button, enter your contact details and submit
