

The latest evidence from your area of interest

- **What it is:** we can keep you up to date on the latest evidence and best practice in your field with personalised current awareness email digests.
- **What is included:** high-impact publications, including guidelines, policy documents and high-level research evidence. There is also a wide range of summarised evidence, so you won't be inundated with primary research articles.
- **How it works:** tell us your areas of interest, being as broad or specific as you like.

You can complete the form overleaf or email us for an e-form at:

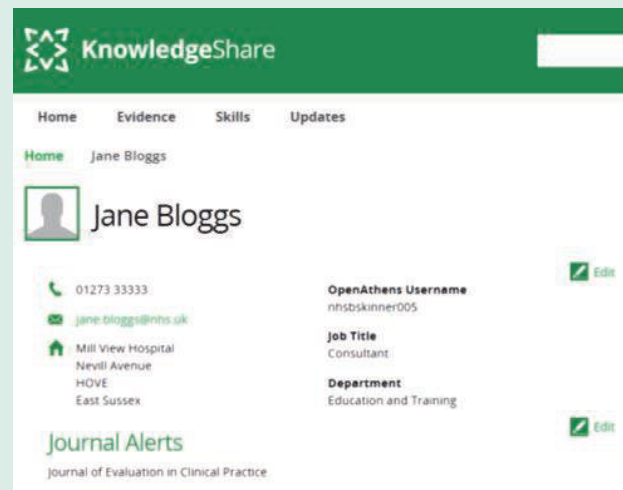

stmichaels.library@covwarkpt.nhs.uk

Most recent articles from your favourite journals

- **What they are:** email alerts showing the table of contents from the latest issue of a journal.
- **Why use it:** sign up for contents alerts and see summaries of articles as they are published. We can supply most articles that you'd like to read in full.
- **We'll do it for you:** if you would like us to set up journal alerts for you, please email us a list of the journal(s) you'd like.

Manage journal alerts on KnowledgeShare: Navigate to your profile page and click "Edit" in the "Journal Alerts" box.

Additional requirements and resources

An OpenAthens account is required to access the KnowledgeShare website and some full text-articles.
